RE: Targeted Geography Revision Session

05 April 2019

Dear Parent/Carer,

I have spoken with your child about this and am writing to you also to share the following information with you. In reviewing the progress of your child’s geography class in relation to their Paper 3 use of fieldwork, we believe that the class would benefit from a booster session to sharpen their understanding. Ms Bell, subject leader for geography, will come in on 10 April to run a booster session for everyone in geography group 11A2 (if you are receiving this letter this applies to your child). The session will be tightly focussed around the assessment criteria for the Paper 3 examination.

The class will take place on **Wednesday 10 April from 12:30 until 15:00 in S13**. Students do not need to wear school uniform and are welcome to bring snacks.

I am sure that all students will want to take advantage of this opportunity and I thank you for your support in encouraging attendance, which will help your child to achieve their potential.

If you have any questions relating to the session, do please get in touch on c.hames@brentsidehigh.ealing.sch.uk

Kind regards,

Charlotte Hames
Deputy Headteacher
