Dear Parents/Carers and Students in Years 11 and 13,

We have today received a letter from Ofqual, who regulate qualifications, examinations and assessment in England, for students who were due to take exams this summer. It is helpful and clear and written for students [here](#) and explains how your grades will be awarded. The guidance released refers to GCSEs and A Levels. There will be a future release in relation to BTECs and other vocational qualifications.

Please do read the attached Ofqual letter and if you have questions, please send them to your Year Leader who will get back to you or share your question with other staff if we need to find out an answer for you. In addition, there is a fuller document written for students, parents and teachers [here](#).

We realise that this has been a time of uncertainty and concern for many of you. Hopefully the release of further information today helps to reassure many of you.

Do not worry if you think you need to do anything more at this stage. If we need you to do anything we will be in touch.

We wish you all a restful break from your studies over the Easter holidays and we wish you and your family all the very best at this time.

Regards,

Arwel Jones (Headteacher)
